Media Questions

Why the anniversary edition?

What information is in this book that helps people?

You talk about the MerKaBa – Can you tell us what that is? Why is it important? Why do you say there is a difference between Intuition and Higher Self?

Do you have a special method?

Tell us about your Higher Self connection method – and how can you make that amazing guarantee?

What is the Higher Self? Why is important?

What are the barriers to a Higher Self Connection?

Why does it work so well?

Tell us about the black Helicopters experience.

What can you tell us about the future, for individuals, the USA, or the Earth?
