

## Manifestation Matrix

Write a letter to the masters you work with and place it on your altar. If you don't have an altar, you may do this in any place you make sacred. If you don't work with anyone special, then write to El Morya, the Master of the First Ray, the Ray of the Will of God:

Dear El Morya,

I wish to attend/purchase (\_\_\_\_\_) but I need help manifesting this. **I will show up, do my part**, expend my energy and/or money, and I request that you support me by providing the necessary (funds, grandma care, kitty care, child care, etc.) to ensure that I can participate. I ask that if this is in my divine plan that all obstacles be removed, including any that I have not anticipated.
